Message from the Guest Editors

Digital healthcare and information technologies are some of the fastest growing industries internationally, with global medical knowledge expanding rapidly. It has been argued that in the short-term future, the majority of healthcare jobs will depend upon digital skills: Indeed, understanding of healthcare data will play a pivotal role in shaping pharmacy services.

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Pharmacy* (ISSN 2226-4787). *Pharmacy*, an international scientific open access journal on pharmacy education and practice, is published by MDPI online quarterly. *Pharmacy* is published in open access format—research articles, reviews and other contents are released on the Internet immediately after acceptance.

The scientific community and the general public have unlimited and free access to the content as soon as it is published.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within ESCI (Web of Science), PubMed, PMC, Embase, and other databases.

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 23.9 days after submission; acceptance to publication is undertaken in 3 days (median values for papers published in this journal in the first half of 2025).
