Agricultural Experiment Station,  
Arkansas Forest Resources  
Center, University of Arkansas,  
Monticello, AR, USA

**Dr. Alessandro Matese**

Institute of BioEconomy,  
National Research Council (CNR-  
IBE), Via Caproni 8, 50145 Firenze,  
Italy

Deadline for manuscript  
submissions:

**31 May 2024**

### **Message from the Guest Editors**

This Special Issue aims to explore the recent advances and prospects of UAV (Unmanned Aerial Vehicle) agricultural management. It seeks to provide a platform for researchers, scientists, and practitioners to showcase their innovative research and discuss the potential of UAV technology in revolutionizing agricultural practices. The Special Issue will address a wide range of topics, including, but not limited to, remote sensing, image analysis, data processing, and the applications of UAVs in agriculture. By highlighting the latest advancements in using unmanned aerial vehicle (UAV) technology in agricultural management and discussing future directions, this Special Issue aims to contribute to the growing body of knowledge in the field of UAV agricultural management.

an Open Access Journal by MDPI

## Editor-in-Chief

## Message from the Editor-in-Chief

*Remote Sensing* is now a prominent international journal of repute in the world of remote sensing and spatial sciences, as a pioneer and pathfinder in open access format. It has highly accomplished global remote sensing scientists on the editorial board and a dedicated team of associate editors. The journal emphasizes quality and novelty and has a rigorous peer-review process. It is now one of the top remote sensing journals with a significant Impact Factor, and a goal to become the best journal in remote sensing in the coming years. I strongly recommend *Remote Sensing* for your best research publications for a fast dissemination of your research.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), Ei Compendex, PubAg, GeoRef, Astrophysics Data System, Inspec, dblp, and other databases.

**Journal Rank:** JCR - Q1 (*Geosciences, Multidisciplinary*) / CiteScore - Q1 (*General Earth and Planetary Sciences*)
