Station, TX 77843, USA

Deadline for manuscript  
submissions:  
**closed (15 October 2024)**

### Message from the Guest Editors

Dear Colleagues,

Beef cattle production plays an essential and direct role in human nutrition, growth, and health, while being a major component of economic, political, and social aspects of societies. This Special Issue “*Beef Cattle Production and Management*” aims to present state of the art information on beef cattle production and management across the globe, highlighting the differences in global beef cattle production and management practices while highlighting the strengths and values of different production systems.

Dr. Juliana Ranches  
Dr. Alice P. Brandao

## Message from the Editor-in-Chief

*Ruminants* (ISSN 2673-933X) is an international open access journal. It publishes original research articles, reviews, and communications that offer substantial new insight into any field of study that involves ruminants, including cattle, all domesticated and wild bovines, goats, sheep, giraffes, deer, gazelles, and antelopes.

## Author Benefits

**Open Access:** free for readers, with **article processing charges (APC)** paid by authors or their institutions.

**High Visibility:** indexed within **ESCI (Web of Science)**, **Scopus**, **EBSCO**, and **other databases**.

**Rapid Publication:** manuscripts are peer-reviewed and a first decision is provided to authors approximately 27.4 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the first half of 2024).
