

Dear Colleagues,

To acknowledge all those who have generously dedicated their time and effort to review manuscripts submitted to *Sustainability*, on behalf of the Editor-in-Chief, Prof. Dr. Marc A. Rosen, we plan to create the *Sustainability* Outstanding Reviewer Award. We dedicate this award to those who have exhibited dedication, professionalism, and timeliness when reviewing manuscripts. Anonymous peer-reviewing helps ensure the quality and integrity of scholarly communication. The *Sustainability* Editorial Office is extremely grateful to reviewers for the time and energy that they have dedicated to peer-reviews.
