Deadline for manuscript
submissions:

31 August 2024

Message from the Guest Editor

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

- Innovative technologies (e.g., high-speed rail, magnetic levitation, smart sensors);
- Energy efficiency and renewable energy (e.g., electrification, regenerative braking, energy harvesting);
- Environmental impact mitigation (e.g., habitat conservation, noise and vibration reduction);
- Infrastructure design and maintenance (e.g., track material selection, maintenance practices);
- Urban planning and integration (e.g., transit-oriented development, last-mile connectivity);
- Policy and regulation (e.g., emission standards, incentives for sustainable practices);
- Data-Driven decision making (e.g., monitoring and reporting, infrastructure condition monitoring, predictive maintenance);
- Life cycle analysis;
- Continuous improvement and adaptation.

We look forward to receiving your contributions.

an Open Access Journal by MDPI

Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (*Geography, Planning and Development*)
