### **Message from the Guest Editors**

Considering the outstanding importance of the development goals of the United Nations 2030 Agenda for Sustainable Development, the present Special Issue aims to address the understanding and impact of cultural tourism in sustainable territorial development. It also intends to gather research that point out the relevance of governance policies in promoting sustainable cultural tourism as a local economic resource. Contributions presenting case studies and policy implementation are also welcome. The result will be an up-to-date source on the following themes:

- Sustainable tourism development and the UN Sustainable Development Goals.
- Best practices for cultural tourism sustainability.
- Sustainable event tourism.
- Sustainable urban tourism.
- Sustainable tourism planning and regional development.
- Consumer behaviour.
- Carrying capacity.
- Visitor experience and visitor management.
- Overtourism/undertourism.
- Community development and sustainable cultural tourism.
- Sustainable cultural tourism and climate change scenarios.
