

*toxics*

Dear Colleagues,

We are pleased to announce that the winner of the *Toxics* 2022 Young Investigator Award is Dr. Minjian Chen.

## 2022 YOUNG INVESTIGATOR AWARD

# WINNER

Dr. Minjian Chen is an Associate Professor (under assessment) of the State Key Laboratory of Reproductive Medicine, School of Public Health, Nanjing Medical University, Nanjing, China. Dr. Minjian Chen's research interests include metabolomics, exposomics, reproductive and developmental health, exposure science, and toxicology. Dr. Minjian Chen received his PhD in 2013 and has an outstanding publication record, comprising 101 publications in peer-reviewed international journals and 9 international patents. Dr. Minjian Chen's Scopus Scientific Citations number is 2349 and his Hirsch index is 29. He is clearly a rising star in the field of *Toxics*. As a single applicant, Dr. Minjian has secured more than EUR 800,000 in funding since 2014. This is an outstanding achievement in today's competitive environment. Please join us in congratulating Dr. Minjian Chen for his outstanding achievements.

As the awardee, Dr. Minjian will receive CHF 2000, the opportunity to publish a paper free of charge in *Toxics* before the end of December 2023 after peer-review, and an electronic certificate.

We would like to thank all the nominators for their participation and the Award Committee Members for their efforts in evaluating the many excellent nominees.
