

*toxics*

Dear Colleagues,

We are pleased to announce the winners of the *Toxics* 2023 Best Paper Award. All papers published in 2021 in *Toxics* were considered for the award. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, two winners were selected.

## 2023 BEST PAPER AWARD WINNERS

### One Review:

Perfluoroalkylated Substances (PFAS) Associated with Microplastics in a Lake Environment

By John W. Scott, Kathryn G. Gunderson, Lee A. Green, Richard R. Rediske, Alan D. Steinman

*Toxics* **2021**, 9(5), 106; <https://doi.org/10.3390/toxics9050106>

### One Article:

Microplastics in the Environment: Intake through the Food Web, Human Exposure and Toxicological Effects

By Concetta Pironti, Maria Ricciardi, Oriana Motta, Ylenia Miele, Antonio Proto, Luigi Montano

*Toxics* **2021**, 9(9), 224; <https://doi.org/10.3390/toxics9090224>

Each winner will receive CHF 500 and a chance to publish a paper in *Toxics* in 2024 after peer review.

Please join us in congratulating the winners of the *Toxics* 2023 Best Paper Award. We would also like to take this opportunity to thank all of our authors for your continued support of *Toxics*.
