Message from the Editor-in-Chief

Pollutants is a multidisciplinary, peer-reviewed, open-access journal of all aspects of environmental pollution published quarterly online by MDPI. It covers Environmental Sciences and Engineering, Environmental Systems, Water Resources, Environmental Economics and Policy, Environmental Health, etc. It publishes reviews, research articles, communications, and technical notes. Papers taking a holistic approach among multiple temporal and spatial scales are especially welcome.

Editor-in-Chief

Prof. Dr. Ali Elkamel

Aims

Pollutants encourage scientists to submit their high-quality research work related to chemical, biological and physical compounds that lead to pollution, including impact assessment studies and corresponding remediation strategies to promote the scientific utilization and effective mitigation of pollutants.

Scope

- Chemical pollutants
- Biological pollutants
- Physical pollutants
- Pollutants Monitoring
- Pollutants Removal
- Pollutants Control and Prevention

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI membership program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Rapid Publication

A first decision is provided to authors approximately 21.7 days after submission; acceptance to publication is undertaken in 9.8 days (median values for papers published in this journal in the second half of 2023).
