

Editorial Note

Withdrawn Paper: *Molecules* 2001, 6, 647-654 [1]

Due to the factual errors contained in this paper, as already reported in this journal [2], and at the request of its senior author, *Molecules* wishes to declare this paper “Withdrawn”. The senior author and the journal’s editors apologize for any confusion this may cause.

Dr. Derek McPhee
Managing Editor, *Molecules*
