**Figure S1:** Types of documents in the field of research of solar-driven water disinfection from 1977 to 2020.

**Figure S2:** Evolution of the percentages of documents published Open Access and other over the last 10 years in the field of solar-driven water disinfection.

**Figure S3:** Relationships between the different countries that collaborate with joint publications on solar-driven water disinfection.

**Table S1:** Funding sponsor of publications on solar-driven water disinfection.
