We found three errors in our paper published in *Energies* [1]. The corrections are as following:

- (a) 25% in the ninth line from the bottom of page 688 should be 33 %;
- (b) Wm^{-2} in the seventh line from the bottom of page 689 should be W/m^2 ;
- (c) GW in the fifth line of page 694 should be GWe.

We apologize for any inconvenience caused to the readers.
