

Questionnaire
Sustainable strategies of STD regarding Covid-19

General questions

Question	YES	NO
Do you consider sustainability a priority in the recovery of your destination?		
Do you think that being a smart destination has increased your preparedness for crises like the current one?		

Question	Answer
<p>Since the beginning of the pandemic, your destination strategy has been mainly focused on:</p> <ul style="list-style-type: none"> - Promotion - Health and safety - Financial assistance and support 	
Have you carried out specific promotional actions for the recovery of your destination, and if yes, please indicate which ones?	
Have you increased these actions compared to other years?	
Please rate from 1 to 5 the success of the actions you have carried out.	

Questions about each sustainable axis
