Received: 2 May 2011; in revised form: 7 June 2011 / Accepted: 7 June 2011 /

Published: 30 June 2011

Replace the second sentence in the Introduction on p. 848:

“Some scholars even argue that GE crops should become an option within organic agricultural systems [3].”

With:

“Some scholars even argue that both organic and GE crops can make important contributions to a sustainable agriculture system [3].”
