The authors would like to correct an omission in a published paper [1] under the conflicts of interest section. Dr. S. M. Phillips reports that he is a named inventor on a patent (Canadian Patent 3052324, and US Patent Application 20200230197). Dr. Phillips reports making no monetary gains from this patent, which is held by Exerkine. Dr. Phillips discloses that he is an unpaid member (all honoraria directed to charity) of the scientific advisory board of Enhanced Recovery™.

The authors apologize for any inconvenience caused to the readers by the change. These changes in no way affect the scientific results or discussion of the manuscript.

**Conflicts of Interest:** With the exception reported above, the authors declare no conflict of interest.
