Supplementary data
Table S1: Description of the key words and expressions used by the BC women from the VICAN study (n=654) to recode the variables into 21 sequelae.

Sequelae	Keywords/expressions
Functioning	
Arm	Loss of hand sensitivity
	Numbness in the hands
	Arm disability
	Difficulty in raising the arm
	Difficulty carrying things
	Loss of strength in the arm
	Stiffness in the arm
	Hand swelling
	Oedema
	Reduced amplitudes
Other	Difficulty to move
	Back problem
	Muscular pain
	Breast sensitivity
	Impossible to bend down
	Difficulty in making an effort
	Shivers all the time
	Head spinning
	Recovery time
	Disability
	Overall loss of strength/legs
	I can no longer carry any weight
	Difficult to walk
	Without medication I can no longer walk
	Loss of motricity
	Heavy members
	Loss of energy
	I can no longer do the same physical activities as before
Pain	Pain
ram	
	Excruciating tingling
	Stab
	Suffering
	Sensitivity
	All the time bad
Esthetic	Scar
	Difference in breast volume/asymmetry
	Hair that doesn't grow back like it used to
	Breast deformity
	I can't look at myself in the mirror
	Skin colour problem (discolouration or darker skin)
	Loss of breast(s)
	Loss of nails
	Hair that is different
	Depigmentation Depigmentation
	Eyebrows that no longer grow back
	Mutilation
Psychological	Psychologically it's difficult
	Too much stress

1	Franchischer
	Fear of relapse
	Fear of dying
	Worried about the future
	Suicidal thoughts
	Low morale
	Declining confidence
	I can't look at myself in the mirror
	Difficulty in accepting the situation
	Anxiety
	Psychological sequelae
	Difficult to live with
	They don't spare me
	Phantom breast
	We think about illness every day
	I feel abandoned
	I often cry
	Different life
	Depression
	1 -
	I see things negatively
	I can't forget what happened
	Upheaval in life
	No longer be like the others
	Mutilation
	Loneliness
Gynecological	Hot flush
	Vaginal dryness
	Burning sensations
	Excessive perspiration
	Gynecological problems
Fatigue	Fatigue
	I need to rest often
	I take naps
	Lack of sleep
Cognitive	
Cognitive	Concentration problem
Cognitive	Concentration problem Memory problem
Cognitive	Concentration problem Memory problem Neurological trouble
	Concentration problem Memory problem Neurological trouble I'm losing my mind
Cognitive Weight	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight
Weight	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure
Weight	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections
Weight	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction
Weight	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening
Weight	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn
Weight Urinary Skin	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin
Weight	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn
Weight Urinary Skin	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin
Weight Urinary Skin	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem
Weight  Urinary Skin  Vision	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem Loss of eyesight Digestion trouble
Weight Urinary Skin  Vision Digestive	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem Loss of eyesight Digestion trouble Bowel problems
Weight  Urinary Skin  Vision	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem Loss of eyesight Digestion trouble Bowel problems Shortness of breath
Weight Urinary Skin  Vision  Digestive Respiratory	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem Loss of eyesight Digestion trouble Bowel problems Shortness of breath Loss of breath
Weight Urinary Skin  Vision Digestive	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem Loss of eyesight Digestion trouble Bowel problems Shortness of breath Loss of breath Insomnia
Weight Urinary Skin  Vision  Digestive Respiratory	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem Loss of eyesight Digestion trouble Bowel problems Shortness of breath Loss of breath Insomnia I can no longer sleep
Weight Urinary Skin  Vision  Digestive Respiratory	Concentration problem Memory problem Neurological trouble I'm losing my mind Put on weight I have to pay attention to my figure Urinary infections Skin reaction Skin thickening Skin burn Dry skin Vision problem Loss of eyesight Digestion trouble Bowel problems Shortness of breath Loss of breath Insomnia

	Pain during sexual intercourse
	Loss of libido
	Difficult to have sex with one less breast
	Can no longer have children
	Sexual problem
Cardiac	Cardiac complications
Hearing	Inner ear problem
S	I can no longer hear very well
Financial	I spend a lot of money on my care
	I can no longer work
Dental	
Other	Sense of smell
	Taste problems
	Burn in the mouth
	Gustative trouble
	Thyroid disturbance
