The authors wish to make a change to the published paper [1]. In the original manuscript, Figure 12, the first two thermograms were switched by mistake. The corrected Figure 12 is presented below.

Figure 12. TG and DTG curves of the transparent samples after 0, 500, 2000, and 8000 h of irradiation.

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. The original publication has also been updated.
