

actuators

Dear colleagues,

As Editor-in-Chief of *Actuators*, I am pleased to announce the winner of the 2020-2021 Travel Award sponsored by *Actuators*.

The Evaluation Committee was very impressed with the high quality work presented for consideration. After careful evaluation, the Travel Award has been granted to Mr. Matthew Wei Ming Tan, a Ph.D. student at Nanyang Technological University, Singapore. Mr. Tan's research work focuses on the design and fabrication of new smart materials for soft actuators, which can be exploited through a wide range of real-world applications.

Mr. Tan will receive 800 Swiss Francs, which he can put forth to attend and/or participate in academic conferences in 2021.

2020-2021 TRAVEL AWARD WINNER

We would like to thank the Evaluation Committee for their comprehensive evaluation of the candidates.

Sincerely,

Prof. Dr. Kenji Uchino

Editor-in-Chief, *Actuators*

International Center for Actuators and Transducers

The Pennsylvania State University, USA
