Message from the Guest Editors

Dear Colleagues,

We invite research papers and case studies with a focus on a wide range of topics that address the principles and practices of tourist destination management. Potential works may address the following lines but are not limited to them:

- Time of change and transformation of tourist destination
- Strategic issues in tourist destinations in times of change
- A review of tourism literature about tourist destinations
- Strategic innovation for tourist destinations based on convergence of technology
- Tourist destinations and responsible tourism demand
- New methods/research of scanning the environment for tourist destinations

...

Prof. Dr. Eduardo Parra-López

Dr. Almudena Barrientos-Báez

Dr. José Alberto Martínez- González

Message from the Editor-in-Chief

Welcome to *Administrative Sciences*, the journal aims to advance and communicate knowledge concerning management theory and practice both in public administration and in profit organizations; it encourages submissions that build on interdisciplinary research in related fields, such as business, economics, political science, gender studies, psychology, sociology, physiology, communication theory or artificial intelligence and their implications on management, organizations and the society. Join us on a journey through the *Administrative Sciences*, where management merges with innovation.
