

agriculture

Dear Colleagues,

We are pleased to announce that the winner of the *Agriculture* 2022 Young Investigator Award is Dr. Thomas Hartinger.

2022 YOUNG INVESTIGATOR AWARD

WINNER

Dr. Thomas Hartinger completed his PhD at the University of Bonn, Germany. He is currently a Research Associate and Lecturer at the Institute of Animal Nutrition and Functional Plant Compounds, University of Veterinary Medicine Vienna, Austria. He conducts future-oriented research in the interface of classical animal nutrition and microbiology to provide solutions for the urgent challenges of modern agriculture.

Please join us in congratulating Dr. Thomas Hartinger for his outstanding achievements. As the awardee, Dr. Thomas Hartinger will receive an honorarium of CHF 2000, an offer to publish a paper free of charge before the end of December 2023 in *Agriculture* after peer review, and an electronic certificate.

We would like to thank all the nominators from various fields of study for their participation and all the Award Committee Members for their evaluation of the many excellent nominations.
