Dear Colleagues,

We are pleased to announce the winner of the *Algorithms* 2022 Best Paper Award. All papers published between 1 January 2021 and 31 December 2021 in *Algorithms* were considered for the award. After a thorough evaluation of papers' originality and significance, citations, and downloads, the winning paper has been selected.

2022 BEST PAPER AWARD WINNER

Paper Title: An Improved Greedy Heuristic for the Minimum Positive Influence Dominating Set Problem in Social Networks

By Salim Bouamama and Christian Blum

Volume 14, Issue 3, doi: 10.3390/a14030079

The corresponding author will receive CHF 500 and have the opportunity to publish a paper in *Algorithms* in 2022.

On behalf of the assessment committee, I congratulate the winner on their accomplishments. I would like to thank all the nominated research groups for their contributions to *Algorithms* and the Award Committee for their efforts in the evaluation process.

Kind regards,
Prof. Dr. Frank Werner, Editor-in-Chief of *Algorithms*
