Dr. Maria Fadri

Wake Technical Community College, Raleigh, NC 27603, USA

Deadline for manuscript submissions:

closed (31 July 2020)

Message from the Guest Editors

Dear Colleagues,

Since the industrial revolution, land urbanization has been occurring at an increasing and alarming rate. This has posed significant challenges for wildlife species, particularly squirrels, which have gained significant research interest as prototypical models for animal behavior, welfare, and habitats. Considering the wide range of environments in which squirrels live and the environment–squirrel relationships that can be established, research on squirrel behavior has garnered much interest, with studies ranging from environmental/urbanization approaches to those focused on squirrel welfare and habitats.

This Special Issue of *Animals* will present the latest research on squirrels. Authors are invited to submit related, original manuscripts, especially those that explore (1) the behavioral adaptation of squirrels to urban environments, and (2) the biological basis of squirrel behavior as a way of managing urban wildlife.

Message from the Editor-in-Chief

Animals is an on-line open access journal that was first published in 2011. *Animals* adheres to rigorous peerreview and editorial processes and publishes only high quality manuscripts that address important issues in the many varied disciplines that involve animals, with a focus on animal science, animal welfare and animal ethics. *Animals* is covered in the Science Citation Index Expanded (SCIE) in Web of Science, with the latest Impact Factor: 2.7 (2023, ranks 10/80 (Q1) in ‘Agriculture, Dairy & Animal Science’; 16/167 (Q1) in ‘Veterinary Sciences’), 5-Year Impact Factor: 3.0.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, PubAg, AGRIS, Animal Science Database, CAB Abstracts, and other databases.

Journal Rank: JCR - Q1 (Veterinary Sciences) / CiteScore - Q1 (General Veterinary)
