

# *antioxidants*

Dear Colleagues,

On behalf of the Evaluation Committee, we are pleased to announce the winner of the 2017 *Antioxidants* Travel Awards.

The Award has been granted to:

Dr. Keith D. Rochfort, a postdoctoral researcher at the Dublin City University, Dublin, Ireland. His work is focused on the role of reactive oxygen species in physiological and pathophysiological mechanisms that influence blood–brain barrier phenotype; the pathological mechanisms and associated signaling pathways of diabetic retinopathy.

## 2017 TRAVEL AWARD WINNER

The Award consisted of **800 Swiss Francs**, to attend an academic conference of his choice in 2017.

We would like to thank all the applicants for submitting their diverse and fascinating range of research topics.
