Message from the Guest Editor

Dear Colleagues,

Applied Sciences was founded in 2009. We are proud to celebrate the 10th anniversary of the journal in 2019. On this occasion, a Special Issue is being prepared inviting members of the Editorial Board and outstanding renowned authors. The aim is to celebrate this important anniversary of the journal with a publication fully dedicated to mechanical applications. Past Editors and top authors will be invited to submit high-quality papers to the Special Issue.

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.
High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, Inspec, CAPlus / SciFinder, and other databases.
Journal Rank: JCR - Q1 (Engineering, Multidisciplinary) / CiteScore - Q1 (General Engineering)
