Message from the Guest Editors

Dear Colleagues,

We are delighted to announce the forthcoming Special Issue "Sports Medicine: Latest Advances and Prospects", dedicated to exploring the forefront of advancements in the dynamic field of sports medicine.

Sports medicine is in a state of constant evolution, driven by novel diagnostic tools, advanced treatment modalities, and personalized interventions. This Special Issue provides a platform for researchers, clinicians, and experts to share their original research articles, comprehensive reviews, clinical case studies and visionary perspectives, driving forward the understanding and practice of sports medicine.

By uniting the expertise of professionals from various disciplines, we aim to foster a holistic understanding of the multifaceted challenges and opportunities of sports medicine in the modern era.

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Inspec, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (Engineering, Multidisciplinary) / CiteScore - Q1 (General Engineering)
