Message from the Guest Editors

This Special Issue titled “Feature Papers in Aquaculture” is designed to celebrate the founding of the open-access journal *Aquaculture Journal* (ISSN 2673-9496, <https://www.mdpi.com/journal/aquacj>). The scope of this Special Issue covers all aspects of aquaculture-related aquatic science, including aquatic organisms, aquatic animal nutrition, aquatic environments, organic aquaculture, aquatic-related industries, techniques/technologies applied in aquatic resources and environments, etc.

This Special Issue will comprise a collection of high-quality papers published free of charge in open-access form by Editorial Board Members and authors personally invited by the Guest Editors and Editorial Office. Both original research articles and comprehensive review papers are welcome.

Deadline for manuscript submissions:

closed (10 May 2023)
