Deadline for manuscript submissions: closed (15 July 2024)

Message from the Guest Editors

Dear Colleagues,

Artificial Intelligence (AI) is rapidly transforming the creative landscape. This Special Issue aims to explore the use of AI in the arts with a focus on human and AI collaboration along the entire value chain.

Topics of interest include (but are not limited to)

• Creation and production process

- Human and AI creative collaboration.
- Al-generated art and its impact on aesthetics.
- Al-driven narrative generation and storytelling.
- The use of Al-powered tools in artistic practice and its implications.
- The ethical and legal considerations of Algenerated art.

Mediation, distribution, preservation

- Al's influence on art curation and recommendation systems.
- The use of AI in art exhibitions and installations.
- The role of AI in preserving and restoring artworks.

• Perception and consumption

- The psychology of human perception in evaluating AI-created art.
- The influence of AI on taste, cultural consumption, and aesthetic diversity

• A theoretical firsh two ks for undir sandir g

We look forward to receiving your contributions.

Message from the Editor-in-Chief

Arts welcomes scholarly contributions that address fundamental issues in the arts, broadly conceived, from any meaningful perspective—theoretical, historical, interdisciplinary, and global. Submissions are expeditiously and rigorously reviewed by peers, in order to insure the highest scholarly standards. Because *Arts* is an online journal, articles reach their desired audiences more quickly and reliably than its print media peers. The future is digital, and *Arts* combines the stringent scholarly standards of traditional journals with the easy accessibility afforded by digitalization.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within ESCI (Web of Science), and other databases.

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 37.3 days after submission; acceptance to publication is undertaken in 6.8 days (median values for papers published in this journal in the first half of 2025).
