

axioms

We are accepting applications for a Travel Award for PhD and postdoctoral students, offering the opportunity to attend a conference related to mathematics, mathematical logic and mathematical physics research. The nominations and applications will be assessed by an Evaluation Committee, chaired by the Editor-in-Chief of *Axioms*, Prof. Dr. Humberto Bustince.

Candidates' Requirements:

- Applicants must be PhD students or postdoctoral fellows involved in the research field of mathematics, mathematical logic or mathematical physics;
- Applicants will present their research (oral presentation or poster) at a conference between January 2021 and December 2021.

2020 TRAVEL AWARD

FOR PhD AND POSTDOCTORAL STUDENTS

Required Application Documents:

- CV, including a complete list of publications;
- Outline of current and planned future research;
- The conference you will attend and the abstract that will be presented (list the conference name and its website);
- Recommendation letter from supervisor, research director or department head, which also confirms the applicant's status as PhD/postdoc student.

The winner will receive **800 Swiss Francs** and an award certificate. The fees can be used for registration, travel or accommodation. You are welcome to submit your application and to share this announcement with your PhD and postdoctoral fellows.

Please send your application to axioms@mdpi.com by **1 December 2020**. The winner will be announced in **January 2021**.
