

bioengineering

Our online journal *Bioengineering* is sponsoring a Travel Award for researchers in the area of biological engineering and biomedical engineering to support participation at a conference of their choice between December 2018 and August 2019. The nominations and applications will be assessed by an Evaluation Committee presided by the

Editor-in-Chief
Prof. Dr. Anthony Guisseppi-Elie

2018 TRAVEL AWARD FOR RESEARCHERS

Candidates' Requirements:

1. Applicants must hold a Ph.D. degree and be involved in biological engineering or biomedical engineering and related areas;
2. Applicants will attend an international conference between December 2018 and August 2019 to present their research (oral presentation or poster);
3. Applicants need to submit the following documents:
 - an abstract of the work to be presented at the conference;
 - an introduction about their present and future work;
 - a short CV with selected publications;
 - a letter of support from their supervisor;
 - an introduction about the conference they wish to attend (please provide the conference website and a letter of acceptance from the conference organizers if possible).

The award will consist of **800 Swiss Francs** and may be used for registration, travel, or accommodation. The awardee must provide a copy of the page of the conference program showing the presented abstract and of the meeting badge after attending the conference. We look forward to receiving your applications.

Please apply online (<http://www.mdpi.com/journal/bioengineering/awards>) before **20 October 2018**. The winner will be announced in **November 2018**.
