

bioengineering

Dear Colleagues,

We are pleased to announce the “*Bioengineering* 2021 Best Paper Award” for research and review articles published in *Bioengineering* from 01 January 2021 to 31 December 2021. Two regular articles will each receive an award. The papers will be selected after thorough evaluation by the journal award committee, and the winners will be announced on 15 March 2023.

2021 BEST PAPER AWARD

Eligibility for the awards:

- Papers published in *Bioengineering* from 01 January 2021 to 31 December 2021;
- Open to all career levels;
- Both regular and Special Issue submissions will be considered.

Selection Criteria:

The papers will be selected by the journal award committee according to the following criteria (data source: Web of Science (Clarivate Analytics)):

- Scientific merit and broad impact;
- Relevance to the journal’s field;
- The originality of the research objectives and the ideas presented;
- The creativity of the study design or uniqueness of the approaches and concepts;
- The clarity of presentation;
- The citation and download rates in 2022.

Prizes:

- Each research article award: CHF 500;
- Each winner will also receive a certificate.

The winners will be announced on the journal website on 15 March 2023.
