Al. Powstańców Wlkp. 72, 70-111
Szczecin, Poland

Dr. Zbigniew Jabłonowski

Department of Urology, Medical
University of Łódź, Ul.
Żeromskiego 113, 90-549 Łódź,
Poland

Message from the Guest Editors

Bladder cancer (BC) is the seventh most common cancer in men and tenth in the general population. The introduction of biomarkers to BC diagnostics can help to identify patients at higher risk of progression or better responding to chemotherapy and thus upgrade survival rate. We hope that this Special Issue will be an incentive to publish original research and comprehensive reviews of all aspects of BC from epidemiology and diagnostics to multidisciplinary treatment and molecular characteristics. We are open to your remarks.

Message from the Editor-in-Chief

Biomedicines (ISSN 2227-9059) is an open access journal devoted to all aspects of research on human health and disease, the discovery and characterization of new therapeutic targets, therapeutic strategies, and research of naturally driven biomedicines, pharmaceuticals, and biopharmaceutical products. Topics include pathogenesis mechanisms of diseases, translational medical research, biomaterial in biomedical research, natural bioactive molecules, biologics, vaccines, gene therapies, cell-based therapies, targeted specific antibodies, recombinant therapeutic proteins, nanobiotechnology driven products, targeted therapy, bioimaging, biosensors, biomarkers, and biosimilars. The journal is open for publication of studies conducted at the basic science and preclinical research levels. We invite you to consider submitting your work to *Biomedicines*, be it original research, review articles, or developing Special Issues of current key topics.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within *Scopus*, *SCIE (Web of Science)*, *PubMed*, *PMC*, *CAPLus / SciFinder*, and other databases.

Journal Rank: JCR - Q1 (Pharmacology and Pharmacy) / CiteScore - Q2 (*Medicine (miscellaneous)*)
