## Epilepsy: From Mechanisms to Therapeutic Approaches

Guest Editor:

**Dr. Prosper N'Gouemo**

Department of Physiology and  
Biophysics, Howard University  
School of Medicine, Washington,  
DC 20059, USA

Deadline for manuscript  
submissions:

**closed (30 June 2025)**

### Message from the Guest Editor

Epilepsy is a common neurological disease that results in recurring seizures. Despite the availability of over 30 antiseizure medications, about one-third of epilepsy patients continue to experience uncontrolled seizures. Therefore, there is an urgent need for innovative therapeutic strategies to manage epilepsy. This Special Issue invites papers that can provide new insights into the mechanisms underlying epileptogenesis and the development of pharmacoresistant epilepsy.

## Message from the Editor-in-Chief

*Biomedicines* (ISSN 2227-9059) is an open access journal devoted to all aspects of research on human health and disease, the discovery and characterization of new therapeutic targets, therapeutic strategies, and research of naturally driven biomedicines, pharmaceuticals, and biopharmaceutical products. Topics include pathogenesis mechanisms of diseases, translational medical research, biomaterial in biomedical research, natural bioactive molecules, biologics, vaccines, gene therapies, cell-based therapies, targeted specific antibodies, recombinant therapeutic proteins, nanobiotechnology driven products, targeted therapy, bioimaging, biosensors, biomarkers, and biosimilars. The journal is open for publication of studies conducted at the basic science and preclinical research levels. We invite you to consider submitting your work to *Biomedicines*, be it original research, review articles, or developing Special Issues of current key topics.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within *Scopus*, *SCIE (Web of Science)*, *PubMed*, *PMC*, *CAPlus / SciFinder*, and other databases.

**Journal Rank:** JCR - Q1 (Pharmacology and Pharmacy) / CiteScore - Q1 (Medicine (miscellaneous))
