

Dear Authors,

We are pleased to inform you that *Biomolecules* (ISSN 2218-273X) has been accepted for inclusion in Clarivate Analytics' Science Citation Index Expanded (SCIE) (Web of Science). The first Impact Factor (IF) is expected to be published in the '2019 Journal Citation Reports (JCR)' by Clarivate Analytics in June 2019.

To celebrate the progress our journal has made, and to acknowledge our authors' continued support, we are pleased to announce the commencement of a Best Paper Award for research and review articles. All papers published in 2016 will be taken into account and their citation rate in 2018 according to Web of Science data. After a thorough evaluation by the journal award committee, two review papers and three research papers will receive an award.

Selection Criteria:

Articles will be selected by the journal award committee according to the following criteria:

- Originality and significance;
- Citation and download rates in 2018;
- Data Source: Web of Science (Clarivate Analytics).

Prizes:

Winners will receive a certificate and an offer to publish a paper free of charge in *Biomolecules*, after peer-review and processing. Each winner will additionally receive a bonus based on the award class:

- First Award (one for a review paper and one for a research paper): 300 CHF each
- Second Award (one for a review paper and two for research papers): 200 CHF each

The winners will be announced early in March 2019. For further details, please click here: <https://www.mdpi.com/journal/biomolecules/awards>

Kind regards.
