### Message from the Guest Editors

We are interested in all areas of sleep and sleep disorders in the context of learning disability, from animal model work and cellular studies to epidemiological surveys and interventional studies through to reviews or meta-analyses in the area, both paediatric and adult. All areas of learning disability and any underlying disorders are acceptable. We welcome your contributions in the form of original papers, commentaries or detailed reviews. If you are unsure as to whether your proposed contribution is suitable, please do not hesitate to contact the editors for advice or discussion.

Deadline for manuscript  
submissions:

**closed (31 August 2021)**

## Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Brain Sciences* (ISSN 2076-3425). *Brain Sciences* is an open access, peer-reviewed scientific journal that publishes original articles, critical reviews, research notes, and short communications on neuroscience. The scientific community and the general public can access the content free of charge as soon as it is published.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, PSYINDEX, CAPlus / SciFinder, and other databases.

**Rapid Publication:** manuscripts are peer-reviewed and a first decision is provided to authors approximately 12.9 days after submission; acceptance to publication is undertaken in 2.5 days (median values for papers published in this journal in the first half of 2024).
