Deadline for manuscript submissions:

closed (1 July 2016)

Message from the Guest Editor

Dear Colleagues,

We are soliciting contributions to a Special Issue of the *Journal of Carbon Research*. The topic will be carbon materials in batteries. Suggested topics may be include: lithium cathodes and anodes, and electrodes for redox flow batteries. Other battery-related topics will be considered with the condition that carbon materials be included as the major topic.

Prof. Dr. I. Francis Cheng Guest Editor
