Message from the Guest Editors

Dear Colleagues,

We are pleased to announce this Collection titled “Editorial Board Members’ Collection Series: Green Catalysts”, which will collect papers invited by the Editorial Board Members.

The aim of this Special Issue is to cover promising, recent and novel research trends in using strategies, methodologies and techniques for the preparation and application of homogeneous and heterogeneous green catalysts both on enzymatic and synthetic nature. We invite submissions of Original Research, Review, Mini Review, Perspective articles on these themes, but not limited to. All papers will be fully open access upon publication after peer review.
