Dear Colleagues,

We are pleased to announce the “*Ceramics* Best Paper Awards” for 2021. Nominations were made by the Evaluation Committee from all the papers published in 2020 and approved by the Editor-in-Chief Prof. Dr. Gilbert Fantozzi. We are now proud to announce that the final winner has been selected, and the information is as follows:

2021 BEST PAPER AWARD WINNER

Chemical Preparation Routes and Lowering the Sintering Temperature of Ceramics

by Philippe Colomban

Ceramics **2020**, 3(3), 312–339; <https://doi.org/10.3390/ceramics3030029>

Please join us in congratulating the winner of the Best Paper Award. He will receive 500 CHF and a certificate for his outstanding work. We would also like to take this opportunity to thank all of our authors for their continued support of *Ceramics* and thank the Evaluation Committee Members for voting and contributing to the success of this award.
