## Dietary Habits, Social Determinants of Health and Obesity Risk in Children and Adolescents

Guest Editor:

**Dr. Alexandra Foscolou**

Department of Nutrition and Dietetics, School of Physical Education, Sports and Dietetics, University of Thessaly, 42132 Trikala, Greece

Deadline for manuscript submissions:

**1 January 2025**

### Message from the Guest Editor

Dear Colleagues,

I am honored to have been asked to serve as a guest editor for the new Special Issue of *Children* entitled “Dietary habits, Lifestyle Behaviors, and Obesity Risk in Children and Adolescents”, and I am pleased to invite you to submit a relevant paper.

Childhood obesity is a serious medical condition that affects children and adolescents. According to the World Health Organization, more than 340 million adolescents and 39 million children are obese. Many factors can contribute to excess weight gain, including eating patterns, physical activity levels, and sleep routines. Social determinants of health, i.e., the conditions in which we live, learn, and work, also play a role.

The aim of this Special Issue is to produce a rich collection of research, articles, and opinions for clinicians, academics, and policymakers in the field of children’s wellbeing. Contributions involving all aspects of this topic will be welcomed.

I look forward to receiving your contributions.

## Message from the Editor-in-Chief

You are invited to contribute a research article or comprehensive review for consideration and publication in *Children* (ISSN 2227-9067). *Children* is an open access journal—research articles, reviews, and other content are published online immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. The journal focuses on sharing clinical, epidemiological, and translational science relevant to children's health. We would be pleased to welcome you as one of our authors.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [Embase](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Pediatrics) / CiteScore - Q2 (Pediatrics, Perinatology and Child Health)
