Message from the Guest Editors

It is our pleasure to host this Special Issue on “Monitoring and Promoting Physical Activity, Physical Fitness and Motor Competence in Children” in the *Children* journal.

In this Special Issue, we welcome contributions that describe the link between, monitoring and promotion of PA, PF and MC. Contributions in the form of an original article, case report, commentary, or systematic review with meta-analysis are all welcome.

Considering the success and popularity of the Special Issue “Monitoring and Promoting Physical Activity, Physical Fitness and Motor Competence in Children” previously published in the journal *Children* (https://www.mdpi.com/journal/children/special_issues/Physical), we are now releasing a Second Issue, aiming to gather original research papers and review articles. In this Special Issue of *Children*, senior investigators are welcome to invite mentees and colleagues to co-author submissions under their supervision. We look forward to receiving your contributions.

Message from the Editor-in-Chief

You are invited to contribute a research article or comprehensive review for consideration and publication in *Children* (ISSN 2227-9067). *Children* is an open access journal—research articles, reviews, and other content are published online immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. The journal focuses on sharing clinical, epidemiological, and translational science relevant to children's health. We would be pleased to welcome you as one of our authors.
