Message from the Guest Editor

Dear Colleagues,

I would like to invite you to contribute to this MDPI Special Issue of *Children*: “Intensive Care Medicine in Children: Current Concepts and Future Perspectives”. The aim of this Special Issue is to highlight the actual trends in paediatric intensive care medicine and point out the possible controversies in view of the evidence-based medicine (EBM) approach. The articles for this Issue will be selected mainly according to their possible impact on the daily clinical practice in intensive care.
