Deadline for manuscript submissions:

closed (30 March 2023)

Message from the Guest Editor

Considering the success and popularity of the Special Issue "Eating Disorders and Obesity in Children and Adolescents", previously published in the journal *Children* (https://www.mdpi.com/journal/children/special_issues/Eating_D) we now release a second volume that aims to gather original research papers and review articles focused on eating disorders and obesity in children.

Obesity and eating disorders continue to be serious health problems among children and adolescents. Eating disorders generate biomedical problems, but also psychological and psychosocial problems, many of which are little-known, such as discrimination in different environments.

It is still necessary to delve into the etiology of these disorders and propose effective evaluation, diagnosis, and treatment strategies. Quality scientific papers that explore these aspects are welcome in this second volume of the Special Issue.

Departments of Child Health and Neurology, University of Missouri, 400 Keene Street, Columbia, MI 65201, USA

Message from the Editor-in-Chief

You are invited to contribute a research article or comprehensive review for consideration and publication in *Children* (ISSN 2227-9067). *Children* is an open access journal—research articles, reviews, and other content are published online immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. The journal focuses on sharing clinical, epidemiological, and translational science relevant to children's health. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [Embase](#), and [other databases](#).

Journal Rank: JCR - Q2 (Pediatrics) / CiteScore - Q2 (Pediatrics, Perinatology and Child Health)
