**Dr. Antonio Narzisi**

Department of Child Psychiatry and Psychopharmacology, IRCCS Stella Maris Foundation, 56018 Pisa, Italy

Deadline for manuscript submissions:

**closed (10 May 2023)**

### Message from the Guest Editors

Dear Colleagues,

Autism spectrum disorders (ASDs) are heterogeneous neurodevelopmental disorders characterized by impairments in social interaction and communication, as well as by the presence of repetitive patterns of interests and behaviors.

The number of children diagnosed with ASD has steadily increased over the last two decades, as too has the body of literature.

The goal of this Special Issue of *Children* is to give broad attention to the most recent advances in autism research, including the diagnostic processes, the effectiveness and feasibility of evidence-based treatments, and best practices in caregiving for children and their families.

Authors are encouraged to submit cutting-edge research and reviews. In particular, we aim to present advances in the field of autism that could have a significant impact on clinical services

## Message from the Editor-in-Chief

You are invited to contribute a research article or comprehensive review for consideration and publication in *Children* (ISSN 2227-9067). *Children* is an open access journal—research articles, reviews, and other content are published online immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. The journal focuses on sharing clinical, epidemiological, and translational science relevant to children's health. We would be pleased to welcome you as one of our authors.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [Embase](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Pediatrics) / CiteScore - Q2 (Pediatrics, Perinatology and Child Health)
