submissions:

closed (31 July 2020)

Message from the Guest Editor

The Ellisras Longitudinal Study and other Non-Communicable Disease Studies International Conference organizing committee takes pleasure in inviting you to the 2nd International Conference on poverty and cardiovascular diseases from 3–5 December 2019 at the University of Limpopo and Ellisras/Lephalale. The major sub-themes for the conference include: 1) lifestyle risk factors for non-communicable diseases: tobacco and alcohol consumption; 2) nutrition, dietary intake and physical activity; 3) biological risk factors for non-communicable diseases: biochemical parameters, hypertension, genetics, lipid profiles, diabetes; 4) growth, maturation and ageing; and 5) child health and health education.

The programme will have a long-lasting effect on the conference participants as well as the Ellisras/Lephalale communities, as the knowledge gained will be taken back to our respective communities and families. Only papers presented at the conference will undergo vigorous peer review and be considered for publication in this Special Issue of *Children*.

Message from the Editor-in-Chief

You are invited to contribute a research article or comprehensive review for consideration and publication in *Children* (ISSN 2227-9067). *Children* is an open access journal—research articles, reviews, and other content are published online immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. The journal focuses on sharing clinical, epidemiological, and translational science relevant to children's health. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [Embase](#), and [other databases](#).

Journal Rank: JCR - Q2 (Pediatrics) / CiteScore - Q2 (Pediatrics, Perinatology and Child Health)
