submissions:

31 October 2024

Message from the Guest Editors

We welcome theoretical and/or empirical contributions that can broaden knowledge on physical education-based intervention models, adapted special education procedures applied in institutional contexts, and modern approaches of exercise training to children and adolescents with the mentioned above neurodevelopmental disorders.

Keywords

- developmental coordination disorder (DCD)
- attention deficit hyperactivity disorder (ADHD)
- autism spectrum disorder (ASD)

Message from the Editor-in-Chief

You are invited to contribute a research article or comprehensive review for consideration and publication in *Children* (ISSN 2227-9067). *Children* is an open access journal—research articles, reviews, and other content are published online immediately after acceptance. The scientific community and the general public have unlimited free access to the content as soon as it is published. The journal focuses on sharing clinical, epidemiological, and translational science relevant to children's health. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [PMC](#), [Embase](#), and [other databases](#).

Journal Rank: JCR - Q2 (Pediatrics) / CiteScore - Q2 (Pediatrics, Perinatology and Child Health)
