Message from the Guest Editor

Dear Colleagues,

It is my pleasure to present this Special Issue of *Children* focused on health equity in gastroenterology. As the editor of this issue, I look forward to collaborating with experts on a variety of topics important to the pediatric gastroenterology community.

The COVID-19 pandemic has exacerbated health disparities in our specialty. Viewing the care delivery system through an equity lens is increasingly critical. I hope the papers in this edition will help to highlight the cutting-edge work in this field. I very much hope you will contribute to this Special Edition of *Children*.
