Message from the Guest Editors

This Special Issue aims to bring together the latest research on recent developments in the application of DLTs and blockchain in the IoT ecosystem. We welcome novel research articles, comprehensive reviews and survey articles. Extended conference papers are also welcome. They should contain at least 50% new material, e.g., in the form of technical extensions, more in-depth evaluations, or additional use cases.

Deadline for manuscript
submissions:

31 August 2025
