

## Special Issue

# When Blockchain Meets IoT: Challenges and Potentials

### Message from the Guest Editors

This Special Issue aims to bring together the latest research on recent developments in the application of DLTs and blockchain in the IoT ecosystem. We welcome novel research articles, comprehensive reviews and survey articles. Extended conference papers are also welcome. They should contain at least 50% new material, e.g., in the form of technical extensions, more in-depth evaluations, or additional use cases.

## About the Journal

### Message from the Editor-in-Chief

You are invited to contribute a research article, a comprehensive review or a software paper for consideration and publication in Computers (ISSN 2073-431X). Computers is an international, peer-reviewed, open access journal which provides an advanced forum for computer sciences. Computers is published in open access format—research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.
