Wolverhampton, Wulfruna Street,
Wolverhampton WV1 1LY, UK
2. Faculty of Engineering, Beirut
Arab University, Beirut 11 5020,
Lebanon

Deadline for manuscript
submissions:

28 August 2025

Message from the Guest Editors

Manuscripts should be submitted online at www.mdpi.com by [registering](#) and [logging in to this website](#). Once you are registered, [click here to go to the submission form](#). Manuscripts can be submitted until the deadline. All submissions that pass pre-check are peer-reviewed. Accepted papers will be published continuously in the journal (as soon as accepted) and will be listed together on the special issue website. Research articles, review articles as well as short communications are invited. For planned papers, a title and short abstract (about 100 words) can be sent to the Editorial Office for announcement on this website.

Submitted manuscripts should not have been published previously, nor be under consideration for publication elsewhere (except conference proceedings papers). All manuscripts are thoroughly refereed through a single-blind peer-review process. A guide for authors and other relevant information for submission of manuscripts is available on the [Instructions for Authors](#) page. *Construction Materials* is an international peer-reviewed open access quarterly journal published by MDPI.
