Dr. David Delgado Fuente

Instituto Tecnológico Agrario de Castilla y León, Palencia, Spain

Deadline for manuscript submissions:
closed (20 October 2021)

Message from the Guest Editors

The aim of this Special Issue is to understand the ripening process of sheep milk cheeses and to study the factors that determine the ripening course. Technological and genetic variables (ripening time, starters, pasteurization, sheep breed) can affect the sensory properties and quality of these cheeses.

This Special Issue will welcome scientific contributions to understanding the changes experienced by the main chemical, biochemical, microbiological, and sensory parameters during the ripening of sheep milk cheeses. Variables that influence the ripening process of these cheeses and the strategies to improve their nutritional quality are also of interest.

Keywords

- cheese
- sheep
- ripening
- breed
- starters
- flavor
- texture
- technological strategies
- nutritional composition
- sensory properties

Editor-in-Chief

Prof. Dr. Burim Ametaj

Department of Agriculture, Food and Nutritional Science, Faculty of Agricultural, Life and Environmental Sciences, University of Alberta, Edmonton, AB T6G 2R3, Canada

Message from the Editor-in-Chief

Dairy (ISSN 2624-862X) is an international, peer-reviewed open access advanced forum for studies related to the advances in dairy science. It publishes reviews, regular research papers and short communications. Our aim is to encourage scientists to publish their experimental and theoretical results in as much detail as possible. There is no restriction on the maximum length of the papers. The full experimental details must be provided so that the results can be reproduced.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [ESCI \(Web of Science\)](#), [Scopus](#), [FSTA](#), and [other databases](#).

Journal Rank: JCR - Q1 (Agriculture, Dairy and Animal Science) / CiteScore - Q1 (Agricultural and Biological Sciences (miscellaneous))
