Message from the Guest Editor

Dear Colleagues,

Following the overwhelming success of ICD 2017 and ICDO 2018, the “3rd Edition of the International Conference on Dentistry and Oral Health” (ICDO 2019) is scheduled for 16–18 September 2019 in London, UK. The Dental Conference 2019 will deliver new ideas, convictions, strategies and tactics to excel in the field of dentistry and oral health. ICDO 2019 will offer an impressive roster of keynote speakers, quality attendees and compelling content. This is an excellent opportunity for delegates from universities and institutes to interact with world-class scientists.

The organizer of the conference (dental-conferences.magnusgroup.org) together with MDPI have agreed to produce a joint publication (Selected Papers from the 3rd Edition of the International Conference on Dentistry and Oral Health (ICDO 2019)) based on presentations submitted at the conference.
